

BARCELONA CATHEDRAL

Barcelona Cathedral, Gothic style, was built at the end of the thirteenth century on old Romanesque basilica, and its construction completed in the mid-fifteenth century. The works of the current facade of the cathedral remained unfinished until the end of the nineteenth century and were the architects Josep Oriol Mestres and August Font i Carreras those who have finished the work. The Cathedral of Barcelona is located in the heart of the Gothic Quarter and the medieval city.
